

## *Exceptional Golf for the Entire Family*

### A note from the Ladies Club President

Hello Everyone - Welcome back to Paragon, for what we hope to be a fun, and exciting golf season, with lots of good weather and comraderies.

Our first ladies day will begin on Wednesday , May 19th, with an opening scramble, followed by a short meeting. The canteen will be offering a couple of specials, to enjoy afterwards. Of course, this opening is all contingent on what is happening on the "COVID' front, in the Province. We may have to move a few things around, until such time that we are able to have our first meeting. We will however, begin on the 19th in some form. If anything changes, I will send everyone the details.

This year, we are going to try something different -Every alternative week, we will be having a fun game ( which we will need 2 volunteers to run). I will be heading up 3 of those weeks, which leaves only 6 other Wednesdays, on which we will need help. The rest of the weeks will be an ongoing ringerboard, which Debbie Walker, has kindly offered to co-ordinate. A sign up sheet will be posted in the ladies locker room, if you wish to participate. You will simply drop your score cards in an envelope marked Ringer Board, also downstairs. A fee of \$5.00 will be charged for the games, but ringer board weeks will be free. In order to play any Wednesday, you must register before noon on the Monday prior ( at which time, the pro shop will release the tee times to the general public). No one may make a tee time, if they are not participating in Ladies Day.

We are trying to keep the Ladies Division running, but with more focus on an easy going and less structural golf season. We would more than welcome all ladies in the club, to join us each week, or even for just a few weeks in the season ( to see what we are all about). We would love to hear any suggestions you might have to offer, so please attend our first meeting.

If you wish to join us in any capacity, and are new to Ladies Day - just phone me (765-6451), or E mail me at [pspicer2@live.com](mailto:pspicer2@live.com), so I can add you to our mailing list. The sign-up sheet for the opening scramble will be at the proshop the first week of May.

Hope to see you all soon

Joanne Spicer
