

2021 SAM HAYDEN TOURNAMENT

Twenty-one teams participated in the annual Sam Hayden Tournament. It is a competitive and social tournament that recalls Sam Hayden who was one of the founding members of Paragon. The ladies teed off the orange tees and the men teed off the red tees. It is a net tournament in which the handicap is determined by 60% of the lower handicap and 40% of the higher handicap. In the time of Covid it was a particularly wonderful day - good weather (25 degrees, sunny and breezy). The course was in great shape, Kelly provided 2 specials and there was lots of socializing! Thanks to Mary and Wayne and Jim and Mary for their help in scoring. It was exciting to have Vicki Gaudet and Tammy Goulding participate in their first tournament!
