

Club Championship 2022

The Paragon Golf and Country Club where held this past weekend. Thanks to the Oaken Barrell for the wonderful meal provided on Saturday and of course the refreshments on and off the course. The maintenance staff, who have given us a beautiful course all year and did their very best to get the golf course playable after a four hour rain delay which had the golfers starting at noon on Sunday. We received over 50mm of rain on Saturday, which created wet playing conditions for the second round of the tournament. We would like to thank the pro shop staff and our volunteers for their hard work in running of our club championship. I can not say enough about the group of volunteers we had this weekend to help score, and besides scoring helped with the prize presentation at the end of a long day. Doug Bullerwell, Brian and Debbie Walker and Jeff Coleman thank you so much for your time!!! Last but not least the competitors you all played hard and rolled with the delays and changes that happened throughout the weekend. We would like to congratulate Chris Topshee, Men's Champion, Leslie Houde Ladies Champion and Waynes Graves Senior Champion for their superb play in winning their respective division on the weekend

Thanks for a great weekend of golf!!!

Paragon Management Team
